Aromatherapy for Parrots: Using an Ancient Healing Art with Today's Companion Birds. by Angela Nelson May 2013

Aromatherapy as a form of healing has been around for thousands of years. However, mention the words 'essential oil' to a parrot owner and they are inclined to grab their precious bird and run!

I am now wondering about essential oils for birds. I have heard mixed reviews and don't want to put my birds at jeopardy by following the wrong instructions. I am specifically wondering if using AuraCacia pure Lavender essential oil to calm my birds is ok. We would use a diffuser in our house for all of us but they would be exposed.
