Now anyone can accurately piece a quilt block in just minutes! Paper piecing is a simple process. Just trace a block design onto paper; then sew fabrics directly onto the paper with a sewing machine. The paper provides a stable base, making it a breeze to get sharp points on even the tiniest of pieces.

If you're using fabric as your foundation, the fabric will stay in the blocks. If you're using paper as your foundation, the paper needs to come out. I had trimmed all my blocks and happened to be doing a lecture on scrap quilts. I took the blocks for show and tell. Someone asked me why I hadn't removed the paper before I trimmed the blocks.
