Hemingway's Cats: An Illustrated Biography. Ernest Hemingway always had cats as companions, from the ones he adored as a child in Illinois and Michigan, to the more than 30 he had as an adult in Paris, Key West, Cuba, and Idaho. All are chronicled and most are pictured here, along with revelations of how they fit into the many twists and turns...

Carlene Fredricka Brennen's *Hemingway's Cats: An Illustrated Biography* sheds some light on a softer Hemingway. In an introductory note, Brennen states that in researching and writing the book she "discovered a kinder, gentler man known only to family and close friends, quite different from the macho character he himself helped to create—a man part...
