Converting CAT to PDF. The CAT file format is associated with Photomatix, a program specialized in merging multiple photographs for creating high-dynamic-range images (HDR) and the turning them into low-dynamic-range (LDR). The CAT extension is considered rare and can be opened with a limited number of image viewers. PDF...

To pick up your cat, place one hand behind the front legs and another under the hindquarters. Lift gently. Never pick up a cat by the scruff of the neck or by the front legs. Housing. Your pet should have her own clean, dry place in your home to sleep and rest. Line your cat's bed with a soft, warm blanket or towel. Be sure to wash the bedding often.
