## **Gardening for Kids – Gardening Design Idea**

Mon, 10 Jun 2019 18:26:00 GMT

*The projects will teach them about nutrition, nature, recycling and organic gardening. That's a good outcome! The no dig garden is a particularly good project for children because the garden can be built and planted in just a couple of hours. You do not have to prepare the garden for weeks in advance, as with other growing methods.*
