*Skirting the Issue 2017 IS HERE!!! It is the first Monday in July which means.....today begins one of my favorite blogging month of the year...the month in which we sew skirts, quilts, and pillowcases for children in foster care...the month that we hold a 31 day event called "Skirting the Issue".*

*Introducing the skirt into the wardrobe is one of the most significant points of the ImageMax programme and is also one of the most challenging. So when you are trying to get a seventeen year old to wear something that he has never even contemplated putting on before then we sometimes have to handle the...*

*pegged skirt tapers from full hip to hem, creating a curvy, pleasing line for almost any figure that can wear a slim skirt. Required skills Straight skirts fit closer to the body than any other style, so it's important to have experience with fitting. A traditional tailored straight skirt might have darts, soft pleats, curved seams, a zipper, fitted*
