"The Woven Coverlets of Norway showcases one of Norway's most beautiful and enduring folk arts. A warm, thick cover has always been important during Norway's long winter nights, but coverlets also decorated the family bedsteads in one-room farmhouses, affording housewives an opportunity to display their talents.

an earlier tradition is possible. Although the history of these coverlets In Norway is unclear, the name would seem to point to Denmark as a possible avenue of introduction. Danish-weave coverlets were noted for broad rows of pattern in stippled Xs, diamonds, and chevrons (fig. 7.23). Background colors alternated in
